

# FRIDAYLIGHT

## KINDLE A LIGHT FOR ISRAEL.

The Jewish People need our light, now more than ever. This Friday before sundown, join millions of Jewish women and girls across the globe in observing the eternal tradition of our mothers and grandmothers by lighting the Shabbat candles. As we kindle our lights, join us in reciting a special prayer for the safety and security of our brothers and sisters in the Holy Land.

G-d promises the Jewish People that this simple act will usher the era of global peace:

*"When you will observe the lights of Shabbat, I will reveal to you the lights of Zion." —Yalkut Shimoni*

**LIGHT A CANDLE. SAY A PRAYER. SHARE THE LIGHT.**

*Shabbat candles must be lit before sundown. For Shabbat lighting times in your area, or for more information, visit [www.FridayLight.org](http://www.FridayLight.org). FridayLight is sponsored in dedication to the Rebbe's urgent call to illuminate the world with the lights of Shabbat.*
